## EXPERIENCE

---

**Data Librarian, University of Virginia Library** *June 2016 - present*  
*University of Virginia, Charlottesville, VA*

- Provide data discovery services for patrons across grounds, with special expertise in social science data
- Lead data purchase and licensing efforts, in coordination with CADMAN, based on patron requests
- Implement and lead Data Purchase Program, with applications from scholars across grounds
- Serve as liaison to the Batten School of Leadership and Public Policy and interim liaison to Department of Economics: provide outreach to inform Batten and Economics about library services and resources; provide information literacy instruction; and consult with students and faculty on their information needs
- Participate in Library Services and Spaces efforts, such as Teaching and Learnings Workshop Series and Information Literacy Grant (with Jeanine Braithwaite - Batten, Fall 2017)
- Represent Brown Library as Location Coordinator

**Manager for Information and Spaces, University of Virginia Library** *May 2015 - June 2016*  
*University of Virginia, Charlottesville, VA*

- Supervise five desk managers at Alderman, Clemons, and Fine Arts. (Supervised four Special Collections reference specialists from May 2015 - Dec. 2015.) Responsible for library service points, including staffing, hours, policies, and procedures.
- Provide quality reference service, in-person and at the reference desk, specializing in government information, newspapers, and microfilm.
- Administer Springshare products, including LibAnswers, LibCal, and LibGuides. Coordinated staff effort to move circulation email to LibAnswers.

**Emerging Technologies Government Information Librarian, University of Virginia Library**  
*Aug. 2013 - April 2015*

*University of Virginia, Charlottesville, VA*

- Provided research expertise in federal, state, and international documents to students, faculty, and researchers in need of government information; created govt information Lib Guides; selected state and intl documents
- Served as liaison to the Women, Gender, and Sexuality program, and as backup liaison to Sociology, including faculty outreach, research assistance, Lib Guides creation, and instruction
- Assisted with reference and management of microfilm and scanners, newspapers, and current periodicals
- Provided excellent general reference service, both in-person and via chat

- Supported staff use of Lib Guides and Lib Cal, helped coordinate Ref Stats outreach and analysis, and assisted patrons with RefWorks and Zotero citation manager questions

**Systems and Emerging Technologies Librarian, Biddle Law Library** *Aug. 2011 - June 2013*  
*University of Pennsylvania, Philadelphia, PA*

- Administered and maintained the relational-database integrated library system, including the online catalog
- Identified, evaluated, and implemented emerging technologies, including Google Analytics, SharePoint improvements, research guides, chat reference, and reference transaction tracking
- Supervised Library Specialist responsible for routine system maintenance

**Teaching Assistant, Departments of Library and Information Studies and Sociology** *Sept. 2009 - May 2011 and Sept. 2005 - May 2006*  
*University of Wisconsin-Madison, Madison, WI*

- Designed and led discussion sections for LIS 201: The Information Society; LIS 202: Digital Divides and Differences; SOC 131: Criminal Justice in America; and SOC 220: Ethnic Movements in the US
- Taught key sources of data on Wisconsin counties and their populations including the U.S. Census Bureau and the US Bureau of Labor Statistics for Wisconsin county assessments in LIS 202
- Graded papers, oral presentations, quizzes, and exams and met with students in office hours

**Reference Assistant, Business Library** *July 2009 - Aug. 2010*  
*University of Wisconsin-Madison, Madison, WI*

- Provided reference services to students and faculty, by phone, email, chat or in-person during evening and weekend hours.
- Built expertise in industry research, NAICS codes, trade data
- Compiled research-related questions and answers for the Business Library knowledgebase

**Assistant Researcher, Applied Population Laboratory** *Oct. 2006 - Aug. 2009*  
*University of Wisconsin-Madison, Madison, WI*

- Analyzed population data with STATA, ArcGIS, and Microsoft Excel, constructed projections using applied demographic methods, and produced research reports
- Connected local users with US Census data and products, including American FactFinder
- Performed outreach to clients and colleagues by producing community newsletter
